## REDHAWK DAY CARE EMERGENCY SURVIVAL KITS

### Staff Survival Kit: (72 Hour)

# \$299.95

The Staff Kit is packaged in totes for ease of use and transportation. It contains a full survival kit that includes food and water and extra water purification tools. The kit also contains first aid kit, and several tools, including a portable toilet, a camp stove and kettle, rope, and a harness. This kit has been well planned to serve the needs of a team. RedHawk survival kits are well thought out and include important additions like a 1 litre plastic water bottle to measure out how much water to add to purification pills. All food and water supplied is certified for 5 years and each. Also, This kit is the perfect companion kit to the Children's survival kits, as it contains tools and communication items that the children's kits do not.
