REDHAWK SEARCH & RESCUE EMERGENCY SURVIVAL KITS

Search & Rescue Survival Kit: (72 Hour)

\$1899.95

The Search and Rescue Kit is packaged in rolling totes for ease of use and transportation. It contains a full survival kit that includes food and water and extra water purification tools. The kit also contains a more comprehensive first aid kit, and several tools for search and rescue, including a shovel, sledgehammer, several saws and cutting tools, a camp stove and kettle, rope, and a harness. This kit has been well planned to serve the needs of a team not only surviving themselves, but also searching for others who may have been lost or injured. RedHawk survival kits are well thought out and include important additions like a 1 litre plastic water bottle to measure out how much water to add to purification pills. All food and water supplied is certified for 5 years and each.
